Still hoping to catch up with you sometime soon. In particular, I am hoping to get you and Joel on the schedule with the Hudbay folks on June 22 or 23.

Please give me a call when you have a spare minute either at the office (202-298-1837) or on my cell (202-257-7175). I look forward to talking to you soon.

Thanks.

Hi Alan:

Thanks for your message. I can work with Joel's calendar to schedule some time. I'll also call you – would be good to catch up. Are you all also meeting with JoEllen and Lowry?

Best,

Greg

Greg,

I hope that you are well and look forward to catching up with you at your convenience. Let's talk when you have a spare minute.

I would also like to schedule a meeting with you and Joel next month. On Wednesday, June 22, and Thursday, June 23, two Hudbay representatives will be in Washington, D.C., for further discussions with senior Federal officials. On this visit, I will have with me Alan Hair, the President and CEO of Hudbay, the parent company of Rosemont Copper Company, and Pat Merrin (with whom you and Joel have met in the past), the Hudbay Vice President who has responsibility for the Rosemont project. I hope that we can find a mutually convenient time for these folks and me to meet with you and Joel.

I am beginning to prepare an itinerary for this visit. Please let me know what time or times on one of those two days in mid-June might work best for you and Joel. I look forward to seeing both of you then. In the meantime, please feel free to give me a call when you can.

Thanks.
